

TESTIMONIALS

"My child absolutely enjoys attending Amiable! The staff is wonderful, and I've noticed significant improvements in my child's learning and social skills."

"We are absolutely thrilled with Amiable! The staff truly prioritizes each person's well-being and growth. Our loved one has formed amazing friendships and consistently returns home beaming with joy."

Amiable is truly remarkable! The owners are compassionate and have a child who shares the same disability as mine. Their personal investment in my child's well-being is evident.

AMIALE HOME CARE & RESIDENTIAL SERVICES
CHANGING LIVES. CHANGING OUTCOMES. CHANGING OUR COMMUNITY.

OUR PROGRAMS

WHO WE SERVE

We serve adults 18 and over, offering programs that cater to diverse interests and abilities. Our activities promote growth, creativity, and community, ensuring all participants feel included and valued.

OUR ACTIVITIES

Our activities include art and crafts, recreation, gentle exercise, and group discussions, designed to promote engagement and personal development. We believe creativity and expression are vital for healing and joy.

COMMUNITY INVOLVEMENT

We prioritize community involvement by organizing outings and events for participants to explore new environments and foster meaningful relationships. Activities include trips to local museums, picnics, and volunteer opportunities, all aimed at creating joy and connection.

SKILL BUILDING

We believe that having fun is essential, but it's equally important to enhance skills and work towards goals. This approach empowers each individual to lead a fulfilling life and cultivate independence.

WHY CHOOSE US?

• Qualified Staff

Our team is dedicated and well-trained in providing support to individuals with special needs, aiming to enhance their lives.

• Safe Environment

Ensure safe facilities with a focus on health and safety. Our renovated spaces include unique rooms that encourage skill development and enjoyment.

• Flexible Hours

We are available from Monday to Friday, from 9 a.m. to 5 p.m.

• Unique Rooms

Gym, Library, Computer lab, Movie theater, sensory rooms, arcade, lounge, quiet/overstimulation room

• Enrichment Activities

Music, art, cooking classes, exercises classes and more!
